

# SALES REPRESENTATIVE REFERRAL FORM

2008

(No. 7 on Structure Graph)

Assistance to sales representative of territory consists of providing the name, address and phone number when someone in the parish gets married, has a baby, buys a new home, moves into the area, gets a promotion at work, changes jobs, etc.

The person does not necessarily need to be an existing member of Catholic Family Fraternal of Texas, but could be. If there is no field representative of the territory the referral may be given to the State Director, or Director of Marketing. The person(s) must be contacted for permission before the form is sent to the State Office. Must be signed and dated by both the contact person(s) and society officer.
